SAFETY-
SENSITIVE
EMPLOYEES**

This District supports the "Drug-free Workplace Act of 1988" (P.L. 100-690) and all safety-sensitive employees must individually certify their understanding of the following conditions of employment and this act:

1. Each employee is hereby notified that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in all workstations in the District. Such action is prohibited by any employee during that employee's work hours or in the performance of any duties for the school system. A controlled substance means a controlled substance in Schedule I–V of Section 2020 of the Controlled Substance Act (21 U.S.C. §812) and as further defined by regulation at 21 C.F.R. 1300.11 through 1300.15.
2. Employees are further notified that as a condition of their employment, they are required to abide by the terms of this policy and that violation of any requirement will result in appropriate disciplinary action which may include (a) probation, (b) suspension, and/or (c) termination. Employees may be required to satisfactorily participate in a drug abuse assistance or rehabilitation program as approved for such proposes by a federal, state, or local health, law enforcement, or other appropriate agency. Termination is automatic if the employee is guilty of distribution of the substance.
3. It shall be the responsibility of the employee to report to the district any and all convictions of a criminal drug statute violation occurring in the workplace no later than five (5) days following such conviction. The district must also notify the federal contracting officer or grant source (if any) within ten (10) days after receiving notification from an employee or otherwise receiving actual notice of such conviction. Appropriate personnel action shall follow such disclosure within thirty (30) days of such notice.
4. Because it is the policy of the Board to promote prevention, a drug-free awareness program shall be provided to inform employees about:
 - A. The dangers of drug abuse in the workplace;
 - B. District policy of maintaining a drug-free workplace;

District must also demonstrate a good faith effort to maintain a drug-free workplace through implementation of paragraphs 1-4, above.

This is to certify that on _____, I received a copy of Policy DG and Regulation DG-R1 pertaining to the Drug-Free Schools and Communities Act of 1989, P.L. 101-226, from the Board.
